**FOR IMMEDIATE RELEASE**

**All-You-Can-Eat Snow Crab Special Returns!**

Basil's on Market in downtown Dayton announces the return of All You Can Eat Crab Night starting January 19th.

Come on out for this special seafood lovers' event every Friday at Basil's featuring fresh, delicious, all-you-can-eat (ayce) Snow Crab legs and sides for only \$30 per person. Sides with your meal include our Basil's Signature Truffle Fries and the House Salad.

In accordance with our general day-to-day practices we only accept reservations for parties of 6 or more, which allows us to accommodate more people into the restaurant and serve more happy faces!

Don't be shy! This is sure to be a popular event, so if you are planning on dining with us make sure to come early and come hungry!

As this is such a popular event, we do ask customers to keep their meals to a 2-hour maximum time limit. The restaurant will be open from 4PM-9PM, so feel free to come along and let us do the cooking.

Parking information is available on our Dayton Location page of our website. However, if you are looking for parking the closest options are street parking (free after 6PM) and the garage parking on Water Street. However, we do not have any affiliation with this parking lot and therefore do not validate parking.
